CIRA is located at the Foothills Campus of Colorado State University, in Fort Collins, Colorado.

From I-25, take Exit 269B (Highway 14 and Mulberry Street).

Go west on Highway 14, and when you reach the railroad tracks, Highway 14 splits. Keep going straight.

Stay on Mulberry Street until it dead ends at Overland Trail.

Head north on Overland Trail (right) 1/2 mile to Laporte Avenue (stoplight at this intersection); go west on Laporte Avenue about 3/4 mile.

Turn left at the sign for the Atmospheric Sciences Campus and follow the road to the parking lot at the top of the hill. No parking permit is required.

The CIRA building is located next to the Atmospheric Science Building, a four-story building on the south side (left) of Laporte Avenue. Several large satellite antennas can be seen on the north side of CIRA.
